

Jacob Franz

PROFESSIONAL SUMMARY

Jacob Franz is a skilled associate developer whose ability to collaborate with others, persistence, and flexibility ensure that he can be an important part of any team. Jacob Franz has a bachelor's degree in Computer Science and Scientific Applications from Tennessee Technological University. Jacob primarily used Java throughout college and extremely comfortable writing in it. He has extensive experience both leading and working in teams from both Nashville Event Lighting as a crew chief and in Boy Scouts where he obtained the rank of Eagle Scout. Jacob enjoys the problem solving and cooperative nature of programming.

Environment:

Kroger – Cookeville, TN

05/17-12/19

Associate

- Encouraged repeat customers through quick and polite work as a cashier and bagger
- Tracked and stored new stock in the Grocery and Produce departments to ensure less work for future shifts
- Helped customers locate products they needed to purchase through knowledge of the store
- Improved the look of the store when restocking by carefully facing products

The Parke Company – Nashville, TN

0/16-08/16

Maintenance Crew

- Served as the primary communication between my crew and the clients to confirm that we were on the same page
- Renovated various jobsites by cleaning and managing the landscaping at different locations
- Kept clients up to date on the changes made to their jobsites

Nashville Event Lighting – Nashville, TN

06/13-04/16

Crew Chief

- Trained new employees in how to set up lights in a way that was safe, efficient, and visually pleasing
- Collaborated with Event Planners and clients to reduce any misunderstandings about how the lighting would look
- Managed crews to consistently provide quality lighting setups to clients on time
- Arranged and organized the equipment for each job by checking what was sent to the event and what was returned from it
